Northwest TN Workforce Board American Job Center Committee

Wednesday, July 25, 2018 – 1:00 p.m. Humboldt Higher Education Building, Room 25 1751 E. Main Street, Humboldt, TN Conference Call – 1-877-216-1555 #845157

> Chair - Rita Alexander Vice Chair - John Killen

Minutes

Committee Members Attending

Rita Alexander, John Killen, Ted Piazza, Sandra Wood, Jimmy Williamson, Melinda Goode, Kristie Bennett, John Penn Ridgeway, and Sherry Fowler.

Others Attending

Connie Stewart, Lana Wood, Laura Speer, Jennifer Bane, LeAnn Lundberg, and Margaret Prater

Review and Approval of Minutes – May 3, 2018 meeting

Rita Alexander called the meeting to order. A motion was made by Ted Piazza and seconded by John Penn Ridgeway to approve the minutes. All were in favor and the motion carried.

Request for Proposal – Components

The Request for Proposal for the One-Stop Operator (OSO) and Service Provider was released on July 6th. A third party, Thomas P. Miller Associates, is conducting the RFP process. Bidders can bid on one or both components. If bidding on both components, the bidder must demonstrate that there is not a conflict of interest. The OSO is responsible for coordination among the partners, the Welcome Function, and a new quality control aspect. The Service Provider will be responsible for delivering Adult, Dislocated Worker, and Youth services, as well as special services, such as RESEA. The Service Provider will also be responsible for paying direct participant costs such as Individual Training Accounts, travel stipends and other support services, and work experience.

After a policy was issued by the TN Department of Labor and Workforce Development stating that local boards may maintain business services, the decision was made to retain those services with the staff to the board. Two Business Services Representatives will be hired. Proposals are due August 7th. The Executive Committee will hear the recommendation of TPMA at a meeting on August 24th and will make a recommendation to the full board at the August 28th meeting.

Employer Services – Recommendations for Increasing Market Penetration

Margaret stated that with the Board staff retaining Business Services, and the implementation of new performance standards, we are seeking new ways to effectively promote services. Our OJT and IWT have remained steady. Margaret asked the group for suggestions for promoting services to additional employers. The group discussed issues with utilizing Jobs4TN including difficulties in using the site, the lack of a local contact, job orders not allowing for certain job requirements, and applicants not meeting the requirements. With low unemployment rates, fewer applicants are available.

American Job Center Updates

A common dashboard to be used by all local partners is in the process of being developed. The TDLWD issues a statewide dashboard that allows for comparison among all areas of the State. Margaret reviewed the dashboard for West TN and our local area. The West region had 273 enrollments for the 3rd quarter of the 2017 program year (PY 2017), which is close to a third of the State total. Our local area had 83 Adults, 11 Dislocated Workers, and 26 Youth enrolled in the third quarter of PY 2017. Efforts continue to be made to co-enroll customers among various programs as needed. Data is also available regarding Work Opportunity Tax Credits (WOTC), American Job Center (AJC) visit reasons, Consolidated Business Grant (CBG) contracts, and utilization of Employer Services. Margaret requested feedback from the group as to whether the data presented is beneficial to the group, and all agreed it is beneficial to see how we compare to other areas. Margaret also reviewed the fiscal comparison among local areas. Our area continues to perform well. A map of the newly aligned areas was also reviewed. Areas are no longer defined by numbers but rather by region. Our local area has been deemed the Northwest area.

A summary of the State dashboard data comparing all local areas was also reviewed. Our area continues to serve a large number of customers, especially for our population size. In total Adult enrollments, we are third in the State, behind the Memphis and Nashville areas. We continue to strive to increase Youth enrollments and have enrolled the largest number of Youth Work Experience participants. Dislocated Worker enrollments have been lower due to low unemployment rates. Our AJC visit reasons continue to see large numbers of customers for career coaching, or Title I services, and unemployment. Our job fair numbers and resume numbers are not as high as other areas.

Employer Engagement

- <u>Business Services Report</u>: a total of 24 OJT positions have been added. We continue to promote the Transitional Jobs program which allows for 320 hours of work experience for Adults with barriers to employment, such as limited work experience. Approximately 7-8 participants are currently participating in the program.
- electrical apprenticeship Preparation (REAP): Amteck offered an electrical apprenticeship program for seven graduating students from Lake County High School. All seven completed the two-week program. At the end of the program, two interested students were offered to continue training with Amteck. One student continued the program and is expected to complete his work experience hours next week. He will then begin full-time employment with Amteck and will continue in the 4-year Registered Electrical Apprenticeship program. The group discussed the possibility of continuing the program next year and means of identifying best practices in order to improve the results. Additionally, the TDLWD has applied for a waiver from the U.S. Department of Labor (USDOL) to allow for 50% of Youth funds to be spent on In-School Youth. This could allow for additional In-School Youth programs, like the former Peer Tutoring Program.

One-Stop Delivery

Operator Report: Lana stated the Dyersburg and Humboldt AJCs have successfully moved to their new locations. Trustees from the local jails were

utilized to move the offices. An open house is being held in Humboldt between today's committee meetings. An open house for Dyersburg will be planned soon.

• Coordination with Education Providers

- Career Services Report: The PY 2017 Minimum Participant Cost Rate (MPCR) requirement of 40% was achieved. This current program year, the requirement increases to 50% and is required to be met across each region of the State. This requirement has led to additional participant funding being requested and new programs being implemented, such as REAP and RAMP. The Gibson County RAMP class has been very successful.
- Career Coach Software: a grant partnership with Dyersburg State Community College has allowed for the implementation of EMSI' Career Coach software. The program is available to the public on the NWTNJobs.org website. The software allows customers to complete career assessments and review available training programs that lead to credentials related to the matched careers. The grant also allowed for the Board staff to upgrade their EMSI Career Analyst to EMSI Developer software which is used to provide Labor Market Information to area employers and chambers, as well as prospective industries.

Re-alignment Transition Update

Transition of Lauderdale and Tipton counties to the Greater Memphis Area is underway. The transition will be effective 10/1/18. Lana, Margaret, and other staff have met with staff from the Memphis Area and their OSO / Service Provider. New agreements in our area have also been enacted for the new nine county area in advance of the July 1, 2018 deadline. A newly approved board for local area has been submitted. Members from Lauderdale and Tipton counties have been removed which created an opening for a private sector member. Stacey Weeks from Dyersburg has been selected. By October 1, 2018 a new OSO and Service Provider must be selected. The possibility of a Regional OSO for West TN was discussed among the local areas in West TN but was not feasible at this time. A new Memorandum of Understanding, Infrastructure Funding Agreement, and Eligible Training Provider List (ETPL) must be implemented by November 1st. There will not be any ETPL changes necessary in our area since we are not gaining new counties. New Board bylaws are due by December 1st. Our updated bylaws will be presented at the August 28th meeting.

Other

With no other business, the meeting was adjourned.

Respectfully Submitted,

Jennifer Bane Chief Operating Officer

Northwest TN Workforce Board American Job Center Committee

Wednesday, July 25, 2018 – 1:00 p.m. Humboldt Higher Education Building, Room 25 1751 E. Main Street, Humboldt, TN Conference Call – 1-877-216-1555 #845157

> Chair - Rita Alexander Vice Chair - John Killen

Agenda

Welcome and Call to Order

Review and Approval of Minutes - May 3, 2018 meeting

Welcome to Career Coach

Discover majors and in-demand careers and education based on your interests!

Take Career Assessment

Take a Career Assessment to learn about yourself and Career Coach will give you career suggestions based on your interests.

Take the Assessment

Browse Careers

Browse careers and we will give you relevant data on wages, employment, and the training you need.

Browse Careers

Browse Programs

Browse the available programs that lead to the career you want.

Browse Programs

Are You a Veteran?

Find civilian careers related to your military occupation.

Get Started with Military Search

Build Your Resumé

Our easy-to-use resumé builder will help you create a professional resumé.

Sign Up and Build Your Resumé

Career Coach

The American Job Center's **Career Coach** helps students make the connection between educational/training programs and quality career outcomes. With Career Coach, students can quickly find a career that's right for them based on relevant job market information and enroll in a program at institutions that best fit their goals. The result? Students engaged in their coursework and passionate about career outcomes associated with specific programs.

- <u>Take a Career Assessment</u> to learn about yourself and Career Coach will give you career suggestions based on your interests
- <u>Browse Careers</u> and we will give you relevant data on wages, employment, and the training you need.
- Browse Available Programs that lead to the career you want.
- <u>Are You a Veteran?</u> Find Civilian Careers related to your military occupation.
- <u>Build Your Resume!</u> Our eay-to-use resume builder will help you create a professional resume.
